ENLARGEMENTS

PREMIERE PRINTS are our finest product! All Premiere Prints are fully retouched and printed and the photographic emulsion is carefully adhered to Artist's Canvas on a stretcher frame. The depth and brilliance of Premiere Prints are especially suitable for hanging over the mantle or sofa in a living room or den. If you seek the ultimate in custom color portraiture, Premiere Prints are your logical choice.

HEIRLOOM PRINTS are facial retouched, Linen Textured and mounted on mat board. While lacking the added dimensions found in the Premiere Prints, Heirloom Prints are suitable where price is a primary consideration.

STANDARD PRINTS are luster surface, unmounted and not retouched. However as a bonus, Standard Prints ordered from an image that also has a Premiere or Heirloom Print of any size **will be retouched** at no additional charge. Suitable for smaller prints for albums or table displays.

COMPOSITES

COMPOSITES allow multiple images on one print, reducing framing cost and wall space. Composites may be ordered as Premiere, Heirloom or Standard Prints, with a one-time setup charge of \$25 for each extra image added to the base image.

ACCENT PLAQUES

ACCENT PLAQUES eliminate the need for a frame! Your photographic print is mounted on fiberboard, laminated, and a beveled edge in your choice of colors (black, white, red, blue, green, or gold) is added. Hanging is easy with a built-in slot on the back. Priced in addition to print cost.

HEIRLOOM GALLERY WRAPS

Our **GALLERY WRAPS** offer a striking way to present your images. We print your facially retouched image on a premium canvas material and wrap it completely around the 1.5" or 2.5" stretcher bar. The outer edges of the stretcher bar are covered with the image. A protective gel coating is then applied, and backing material and a hanging device are added. Gallery Wraps are delivered "ready-to-hang" and a frame is not needed. Gallery Wraps are printed directly on canvas using a large inkjet printer.
